Conference Committee on HB612

VICE-CHAIRMAN ROY BROWN opened the meeting. He told the committee one thing they needed to do was remove an amendment which had been put on the bill in the event SB119 passed.

SEN. SHEA made a motion to remove amendment, AC HB 612-1, which had been put on in the Senate.

The MOTION carried unanimously.

REP. BROWN said there was one other item which had been put on in the Senate committee which said a person could identify themselves by using in place of a residence address, a post office address, or a home or business telephone. He said the problem was with the clerk to tracking down or verifying the business phone.

REP. DELL asked the issue to be explained again.

REP. BROWN said the signer may provide a home or business phone and the problem was with verifying the business phone.

REP. DELL said so the difficulty is in verifying.

REP. BROWN said yes, and that he thought they could change it to read "home telephone" and leave out "or business telephone."

REP. DELL said he would make a motion to that effect.

REP. BROWN asked for any discussion on the motion.

SEN. GLASER said the language appeared to be used in three places throughout the amendment.

REP. DELL moved to remove the term "or business" throughout the context of the amendment.

The MOTION carried unanimously.

VICE-CHAIRMAN BROWN adjourned the meeting.
